

# Biography

## Dev Ogle Senior Consulting Partner

Dev Ogle is a respected motivational speaker, consultant, and trainer in the fields of leadership, customer service, management development, team building, and organizational culture. For the last 25 years, Dev has worked with organizations to develop and implement processes that increase the quality of service, the quality of product, employee participation, and profits. He works with organizations across the United States, Europe, and the Far East to apply leadership and management techniques in global, cross-cultural contexts.

With over 30 years of personal managerial experience, Dev is able to speak in a practical, no-nonsense fashion. His keynotes blend cutting edge management theory with powerful stories that touch both the heart and the funny bone. Dev's business savvy has made him a favorite of executives for retreats, strategic planning sessions and executive consulting.

As a senior consulting partner with The Ken Blanchard Companies, Dev has trained, facilitated and consulted with a wide variety of organizations in both the public and private sectors. As Program Manager for Supervisory Training at Pacific Gas and Electric Company, Dev provided management consulting services at all levels of the organization. Dev spent the previous twenty-five years as a line manager in the field of engineering and as Assistant Director for the U. S. Coast Guard Leadership and Management Program, West Coast.

Dev's background is in mechanical engineering, organizational behavior, and organizational development. He is a graduate of the University of San Francisco and holds college teaching credentials in the state of California.

### Clients:

A partial list of Dev's clients includes CIBC, Vineyard Bank, Southwest Mental Health Clinics, Summit Pointe, Kaiser Permanente, Flint Hills Resources, Genentech, Fireman's Fund, Discover Financial, and the Coyote Vision Group.

### Quotes:

*"The stories you told were appropriate and added a lighter touch to the material. The technique of mixing them with the material made the time pass quickly. Nice job!"*

—Tom Watson, Allstate

*"Dev's style of presentation and the clarity of his message provided an outstanding learning environment for a group of individuals in this organization who have a reputation for being hypercritical of 'outside' experts in any field."*

—David J. Noonan, American Academy of Ophthalmology

*"Your personalized presentations were of tremendous value. If someone on our staff had presented the same material, the net result would have been a fraction of what we were able to achieve. You are a masterful storyteller and uniquely convincing."*

—Bill Dougherty, Westin Galleria and Westin Oaks

*"You are an excellent speaker. Rarely can an individual hold the attention of the audience (and mine!) for six hours. You were extremely interesting and kept the flow of information lively."*

—Bob Gaunreau Modesto Jaycees
